

ANN ADAMCHIK SPORTSMANSHIP BALLOT

If you work a school more than once, submit an **AVERAGE** for that school. Use a numerical grade from 1 – 10. Remember the JV and V are rated together.

10 – To truly separate the exemplary schools from the rest, a score of 10 should only signify extraordinary sportsmanship.

7-9 – above average/good

5-6 – average

0-4 – poor – signify with a **C**-coach; **P**-player; **S**-spectator or a combination as to the responsibility for poor sportsmanship.
